Even though I did not see my Grampa Mike as often as I had wished, I remember he always made me feel special and loved, he made those moments stand out as if he knew they needed to be. I know he is in a better place one where I cannot go yet but he will live in my heart always. He was a talented wise person who always made it a point to fill my thoughts with wisdom. I love you Grampa and hope you are in Gods Gardens loving every moment. Your Tammie Girl
