“ Hi Marcos Thanks so much for sending me Alan's tribute page. I have wanted to reach out to you, but just couldn't put into words what I was feeling. I am so sorry for your loss. I didn't know Alan that long but considered him a dear friend. We would have the longest conversations (he was such a talker) about anything and everything. I really enjoyed hearing from him. He was so considerate and such an interesting man. My heart goes out to you. I know you are suffering so much. You just have to remember that you were everything to him and you devoted yourself to taking care of his every need. I'm so sorry you are left to deal with the aftermath and if there is anything I can do to help, please don't hesitate to call me. I would like to talk to you whenever you feel you're ready. Take care and God Bless Sharon Sharon Molnar

“ Oh glorious apostle St. Jude, faithful servant and friend of Jesus, the name of the traitor who delivered thy beloved Master into the hands of His enemies has caused thee to be forgotten by many, but the Church honors and invokes thee universally as the patron of hopeless cases--of things despaired of. Pray for me who am so miserable; make use, I implore thee, of that particular privilege accorded thee of bringing visible and speedy help where help is almost despaired of. Come to my assistance in this great need, that I may receive the consolations and succor of heaven in all my necessities, tribulations and sufferings, particularly (with Alan's passing), and that I may bless God with thee and all the elect throughout eternity. I promise thee, O blessed St. Jude, to be ever mindful of this great favor, and I will never cease to honor thee as my special and powerful patron, and to do all in my power to encourage devotion to thee. Amen

“ Dear Alan, I have no words that can say how much I will miss you and the many conversations we have had over the years. You were very special to me and I will never forget our friendship and how it began and how it grew and blossomed over the years! It made me smile and feel loved every time you referred to me as your sister. I'm sad that you are gone but I know you are at peace now. To quote what you once wrote in my card...always in my heart and forever in my thoughts! Love you always, Anna
