“ Although my Uncle Al was divorced from my Aunt Anna, we remained close and in touch over the years. I got to visit him in Florida several times and would speak by phone on a monthly basis. Al, was a great man. He was a decorated hero of WWII. He was definitely an "Old School" type of man and that's what I loved and respected about him. For 96 years, he was a very self-sufficient man and did things his way. He always spoke of my father, Tommy senior, as his closest friend. He spoke of love and admiration of my Dad, that always made me smile. I will truly miss my Uncle Al and our conversations. He was my true connection to that side of my family. God rest your soul, Uncle Al. I'm sure you and my Dad are catching up about all the years that have gone by. Rest in peace.
