“ It was such a joy having known Alice and fond memories will always be with us. I particularly remember one at Millie's; I think it was one New Year's Eve when she accused me of pushing her over the couch. We had fun with that one since I was on the far side of the room. All the family reunions were special as she was and all of you. We will miss her laugh, her kindness and hospitality. RiP Alice.....

“ You were my inspiration on how a mother should be. I only hope that I was half as good at it as you were. I will miss you every day. I am glad that I spend the last two years in Ocala to be with you.

“ *My love, thoughts, and prayers to our family with Grandma's passing. I take comfort in knowing that she is far happier where she is now with grandpa. She is missed.*
