“ Our hearts are broken with the loss of our dear friend, Allen. We have had so many fun times together, celebrating holidays, traveling, spontaneous get-togethers, etc. We met at church right after we moved to Florida and Nora & Allen invited us to breakfast. They have been our "Florida Family" ever since. We have so many memories we will never forget. Our heartfelt sympathy to Nora & Family - we love you both.

“ It hurts when at last you find the one and then he must leave you. But the pain will ease after awhile. Doesn't mean we won't miss them always but hopefully all the good memories will last.
