

Amara Mia Lilly Ajuzie

July 22, 2016 - July 22, 2016

It is with very sad hearts that we inform you that Amara Mia Lily Alexis Ajuzie Lily' gained her Angel wings on July 22, 2016. Baby Lily was excited about making her debut and meeting her amazing family and super excited friends. She spent 9 beautiful months snuggled in her mommy's womb learning the voices of her excited brother and sisters and she sang, read, talked and prayed for her; an activity that was repeated several times per day. They always ended with, "Its Ijenna" or "its Alex" or "Its Nneka" to make sure Mia-Lily would identify their uniqueness and know them individually when she arrived. We have gently placed her in the care of Jesus who loves little children and will join with family and friends in celebrating her on Saturday July 30, 2016 at 1:00 p.m. Meadowbrook Church 4741 SW 20th St Ocala 34474

Though we know we have a guardian Angel in heaven we still miss having her home as we had so many plans for her and looked forward to doing so many things together. So very softly she tiptoed into our world; almost silently, only a moment she stayed, but what an imprint her footprints have left on our hearts. Loved and Missed by Mom Sharese, Dad Uche. Siblings Ijenna, Alex and Nneka.
