“ Amy, I only knew you for a short period of time but I know that you loved your children more than anything in this world. I am so sorry to hear of this and I wish things were different and you were still here. My heart aches! My sincere condolences to your family and Heaven has gained an angel!!

“ You left this world much to early. You were such a vibrant young soul with so much life to live. I am so saddened and heart broken and can not seem to understand how this happened. I know your above watching over your 2 beautiful amazing children. They will surely miss their Mommy. Guide them from above. I love you dearly and am sending your entire family my prayers. Fly high beautiful angel let your soul be free!
