

Angel Manuel Cabrera

October 16, 1941 - February 11, 2019

Angel Manuel Cabrera was brought into this world on 10/16/1941, and lived an amazing 77 years. He was our Papi Papa and Abuelo and we loved him tremendously and forever he will be in our hearts. On February 11th, 2019, he sadly passed away, to a better place where now all his pain is gone and only comfort is in the horizon. Angel was born and raised in Isabella, Puerto Rico Isla Del Encanto and very proud of his Puerto Rican heritage. He was a funny, loving, caring, and giving person who enjoyed his life and family. Angel worked at North Central Bronx Hospital for 34 years. Angel poured his love and generosity over us and for that we will always be grateful. His parents were Cruz and Natividad Cabrera, he has one sister Doris Cabrera and brother Che Cabrera. He married the love of his life, Gladys Quinones and together they shared 50 years of a marriage full of wonderful memories. Together they raised and loved four children, Edwin, Janette, Cassidy and Felix. Angel had six grandchildren, Alexandra, Amanda, Angelo, Angelique, Gabriel, and Gilyani. His great grand children Josiah, Emmanila, and Analine. Angel will be dearly missed by all those who loved and knew him.
