“ Dear Pendergast Family; I wish to express my deepest condolences in your loss of Mrs. Pendergaust. Please be assured that death and sorrow was never God's original purpose for the earth. Soon he promises to end all pain, sorrow and even death itself (Revelation 21:4). It's so comforting to know that as the 'God of all comfort', (2 Corinthians 1:3-4) he truly cares for us . That's why he gave us the scriptures to provide that comfort, such as Isaiah 33:24 and 25:8. Please read these verses as a family, they will greatly comfort you along with many others in the Bible. Sincerely Mrs. C. Santana
