“ *Mom, I know I haven't been there much in the past 28 years but you have been and will always be in my heart. Save a spot up there for me and I promise I will never go off to Japan again. You would have been so proud to see you husband and children pull together as one over the last week. I love you mom and will miss you dearly. Your loving son. God Bless.*

“ Thanks, Mom, for being my best friend. You were always there for me through good and bad. I will miss our long two hour weekly chats. We will all take care of Dad. He is in good hands. Dad loved you very much and misses you dearly. We know you will always be watching over us and guiding us through everyday life's path. Mom, please give God a message for Jacquie to heal and get better real soon (we know you now have connections). Thanks for the wonderful years. You are now in a better place. WE LOVE AND MISS YOU!
