“ Ana, The lord has called you home to be with him in peace. Although you are not here physically you will be here in spirit for you had such a strong soul. You were such a loving mother and grandmother and the love you gave was returned to you by so many. You were always there for me when I needed you and I will be forever thankful that you were in my life. I know you will be watching over Ralphy and Desiree and the family as you did here because that was your nature. As I write this to you Ana, I want you to know that you impacted my life you and you were the best mother in law to me you treated me as one of your own.I love you and will miss you. May you rest in peace . Love, Tammy Walker
