“ To the families of Grandmom Ann-I am so overwhelmed with love in my heart - my cup runneth over. Grandmom was the sweetest lady I've ever met. She was so thoughtful - not a holiday or anniversary or birthday went by without receiving your reminder that grandmom was lovingly thinking of you. Please know she is in Heaven now, guarding us all and blessing our lives in the little reminders of you that we see all around us - the amazing legacy of love in the people that you created and that they continued your legacy with children of their own. Your gentle soul and sweetness will never be forgotten. I will forever miss you and our little "secrets" and stories we shared. God Bless you all. Lovingly, Bernadette and Trip xoxo
