“ *My sincere condolences to Mary Dana and family. Ari and I just started talking again after 35 years. I recently visited Ari in April of 2025 and we shared old memories of 1890 Columbus Ave and the time we all went to Cancun. It's very hard to accept this!!! Gonna miss you brother!!! Rest in Peace*

“ *Mary, Julie, Dana & Family,
Please accept my sincerest condolences, I am so very sorry to hear about Ari's passing. I'm shocked and at a loss for words. Ari is way too young to leave this earth. Please know I am thinking of you all through this difficult time. Words can't even express how sincerely sorry I am.*

*With deepest sympathy,
Michelle*

“ *Ari, in the little amount of time I got to share with you we damn sure made some memories I'll never forget! From moving you here, playing softball (which was a complete disaster but funny as it gets) building stuff with Dana (which I never should have been involved in lol) running horses races and even water trees for countless hours! I'll never forget any of it! I'll miss you and your stupid fb messages you sent me. Thank you Dana for sharing him with me. Love you guys....*
