“ Aunt Arlene, I will miss you and hope that you are now free of any pain. My first memory of hot chocolate was when you showed me how to dunk toast in it. I thought that was the best thing ever. I continue to drink my hot chocolate the same way today. I love you and will miss your smiling face.

“ Bro. Verl, Our heart goes out to you at this time. We also rejoice with you for Arlene's love for the Lord Jesus.. She was a great partner for you. Well do I remember her hospitality there in your house at the paint shop. Then the many years of ministry. Your faithfulness to the Baptist Children's Home has been a blessing. God has been so good to us. What a great time we are going to have when we all get to heaven!! We love you and sure will be praying for you at this time.

“ Dear Brother Verl, God in His infinite wisdom has chosen to move your precious wife Arlene to her heavenly home. Her notes relating love and prayers for the children in Baptist Children's Home care were always an encouragement. Her work helping save soup labels for eternal investment was a faithful labor of love. May the God of all comforts be your comfort as you live day by day without your sweetheart by your side. "It will be worth it all when we see Jesus." Grace to you, Jim and Donna

“ Verl and family: We have just learned from our answering machine of Arlene's homegoing. We too will greatly feel her loss. She was such a gracious, faithful supportive helper and encourager over the past 50 years. With you we are so glad to know that she is rejoicing in the presence of her Savior, free from the many pains and concerns of her role in life. We will contact you again in a few days. Lovingly in Him, Virgil and Dolores Bunjer
