

Arthur Purdy

December 6, 1926 - July 22, 2018

Arthur and his family grew up in the area of the National Pike in South Western PA which is now a hugelake. Arthur enjoyed telling stories of his younger years like, when he and his brother enjoyed sneaking into an abandoned coalmine on his family property and riding the coal carts through the mine. Arthur and his father delivered newspapers everyday in this area up and down the mountains in all kinds of weather. When left home he worked on a cattle farm for a while tending to the cattle and the sheep. He also bailed hay, he was one of the first ones to use the new hay bailers at that time that produced round bails. Until He then joined the United States Air Force at the age of 20 and married Lois the love of his life. They had 2 daughters. During this time period he bought his most favorite car which was a blue and white Chevy Impala. They traveled many places during his career and he retired 33 years later. Arthur C.
