“ I. Love and miss you Dad. I painted the florida room today for you. I know you were pushing me to do it. It looks nice. I pray that we will all be together when the time comes. Please, you and Mom watch over us until we meet again in Heaven. Linda and I need your help. Love and miss you. Jeannette and Linda.

“ *Dear Dad, Yesterday was the anniversary of your death 3 years ago. It seem like only yesterday I was a little girl in your lap. I miss you so much as does Mom and Linda You were so special to all of us and all you met in your lifetime. Now you are at peace with God. I had a dream of you on the anniversary of your death and wonder if now, your spirit has found it's way to it's peaceful state until we all meet again.* Jeannette

“ *Dad, Christmas is near and I miss you so much but I know you are in a better place. I think about you all the time and pray for Mom to pull through the emptyness she feels inside for you. I know you are watching over us. Put in a good word for us that things will get better for us all. I love you and miss you so much, Your daughter,* Jeannette
