“ Hey Lil Sis , I'm going to miss you dearly as we have been friends for 57 years, that we now called each other Big and little Sis. You are now well and in heaven watching over us, and dancing with the Angels.I'm sure you are in the process of holding out your hand to all as you did here on earth.You were the best and I will miss you for the rest of my life as there is a hole in my heart that will only get filled when we meet again. Say hello to Canoe for me . Love you Mare
