

Barbara Daigle

May 1, 1953 - June 24, 2014

Obituary of Barbara Daigle On Tuesday, June 24, 2014 Barbara Marie Daigle born in Sodus, NY passed away in her home in Belleview, FL. She was diagnosed with lung cancer less than two weeks prior and under home hospice care. She was 61 years of age. Barbara was the daughter of Edward Clifford Allen and Martha Aunkst born on May 01, 1953. Barbara attended North Rose-Wolcott High School in NY and graduated with the Class of 1972. She worked in many brand name companies such as Coca-Cola and Cadbury as a quality assurance inspector and worked in various manufacturing companies. She received the most satisfaction by working for families in need of someone to care for and look after their elderly loved ones that lived within Barbara's community. Her kind heart and the desire to always help others made this a natural fit and were loved by all. Her hobbies included dancing and playing cards. Barbara is survived by her four sons, Gene Daigle Jr (41) in Tampa, and Jared (36), Jason (35), and Jeremy Daigle (29) all living in the Ocala/Belleview area. She is also survived by her eight grandchildren Connor Daigle (16), Kitanna Daigle (16), Jacob Canty (12), Hailey Daigle (7), Chase Daigle (7), Dominic Daigle (6), Zachary Coll (6), and MacKenzie Daigle (5). Two additional grandchildren, Sebastian Daigle and Xavier Daigle passed away preceding her death. Roberts Funeral Home in Ocala is in charge of making arrangements. Barbara will have a burial at sea using resources from Coast Guard Station St. Petersburg with a date and time to be determined. We know you will be smiling down on us all. You will be dearly missed and

forever in our hearts and memories. The song is ended, but the melody
lingers on...

“ While I did not know Barbara, I did work with her son Gene in high school. His character, kindness, strength, and work ethic all speak to Barbara as a mother. She must have been an amazing woman. My condolences to her family.
