“ *Our thoughts and prayers go out to the whole family! I have so many memories of you all when you lived next door to us here on Sugarpine Place in South Carolina. Our cookouts. Barbara decorating for the light Post for the holidays! My most treasured gifts from Barbara are the Christmas ornaments she made and gave me. They certainly will be even more special to me now each Christmas! We both had a great love for animals and that is what most our emails were about our dogs! Barbara was such a sweet, caring and compassionate lady. I remember when we lost our first dog Beau ,Barbara sent me the Rainbow Bridge poem, which I still have ! I certainly will miss Barbara, but know she is in a much better place! Our Deepest Sympathy, Wanda, Bob, Joe & Nicole Meyers*

“ To Danny and Laura Barbara was a dear friend and neighbor of whom we have many happy memories. We celebrated our son's 16th birthday at Lock's point and she e was there with Laura. The day Dixie, Jake, and Possom got loose and we rounded them up and put them in our house until Barbara could get there. Going to Laura's softball game to watch her pitch. So many memories of our kids playing toether., Getting lost following Barbara on the back roads after leaving the Villages and lunch at R J Gators, and the time we all had dinner there. We will miss her and think of her often because she has touched our lives in a special way.
