“ *Barbara was my big girl cousin when we moved to Oregon. My one regret is not being able to grow up around my cousins. My daughter saw the young picture of Barb and said " Mom you look like her". Guess it must be the good Harvey genes. East Coast to West Coast we are still connected. As a child I thought she was pretty special. May God bless and keep you. My condolences.*

“ *Charlene I can't believe how much you look like her in the black and white photo. Barb you will be missed. I Know you will watch over Char like an angel and that will be a comfort to her. She loved you very very much. I have so many memories from back when I lived with you both in Ft Lauderdale. You graciously gave up your bedroom for me and I'm sure as young and clueless as I was, I probably never properly thanked you for being so kind to me. Now in Gods loving arms you are wrapped in eternal peace. I promise to always be there for Charlene. Rest in peace now. Lori*

“ *Barbara was such a giving Mother and Grandmother. Her generosity touched so many lives. Her love for her children goes unmatched. It was truly an honor to have known her. By the way I was her favorite son in law. Love, Michael*
