

Barrie Franklin Walton

October 10, 1939 - June 22, 2024

Barrie Walton, beloved husband, father and grandfather, passed away in the early morning hours of June 22, 2024. He was 84.

Barrie was born on October 10, 1939 in New York City to Vernon and Minnie Walton. As both Vernon and Minnie were born and raised in England, Barrie was a first generation American. He was very proud to be an American and that was very much at the forefront of his life.

He always fought for the underdog and encouraged the people around him to make their good better and their better the best. In this spirit, he prevailed over many health challenges over the past decade. With his beautiful and devoted wife, Irene, surrounding him with love and care, he died peacefully in his sleep.

Barrie lived as he died, with a power and presence unparalleled and his passing has created a great emptiness that can never be filled. We take great comfort that he is in the care of our Lord Jesus Christ.

Survived by his wife of 61 years, Irene; children Lisa Kay (Kent) and Kenneth (partner Betsy); grandchildren Caitlin, Tei and Dylan; and Sophie, his trusted canine companion.

Services were held July 10, 2024; he was interred at Good Shepherd Memorial Gardens with Military Honors.
