“ *Belo..... He was a funny guy. (lol) always cracking little jokes that made me chuckle and at the same time always concerned about his family and their well being. We were not as close as I would have like to be but he always had a special place in my heart and always will. My Donte (lol) he loved him some belo. It is unfortunate that Donte will never get to grow up with you around Belo but we have you in our spirits ALWAYS, so come see us and talk to us when ever you want. :) To my family who is still with us, Donte and I love you with all of our hearts so no matter how far apart we are stay close, we only have eachother. I Love you all. P.S. TiTi Liz and Belo, Take care of eachother until we get there. Mucho Carino (NY)*
