“ Oh Ben, you are going to be missed by your friends in Homestead. I take comfort in knowing you will now be with your beloved Dottie. I hope that some will travel up to Ocala for your service. Much love for the 50 some odd years knowing you. If you see Johnny pony up there, give him a big hug for me. Forever in my ❤️ dear friend. XOXO Be at 🕊️ ❤️

Ben was my farrier and friend in the 70's. He was always kind and courteous to everyone. A true gentleman. God speed Ben.

I didn't realize the impact he had on me till it was too late. One memory stands out the most, we were sitting under an old oak with moss all over it and a chestnut horse next to him. We were just talking and hanging out.
