“ Betty came into our Life's after losing my Mother at age 6. She was 21 and helped raise my siblings and I . We were ages 18 months old Celeste, Timmy 5, Stephanie 7, and Diane 12. Mark also was a little guy! Later my sister Michele arrived, I am very thankful for Betty she would raise a big garden, canned tomatoes & green beans. She sewed beautifully made my clothes when I was 11. My Father Bob Andrews loved her dearly she came into our Life's when my Father needed her , and she needed my Dad. They loved each other very much! I am forever thankful and grateful for Betty ! At the end of her life she battled with Alzheimer's and it was very hard on her because she had been such a hard worker all her Life and her husband Bob Graham who was her husband for over 20 years after my Father passed away was taking care of her until the last two months of her life . I am thankful for Bob Graham who took her on wonderful trips around the world. Betty had a great life. In the end all of us Adult children got to say our goodbyes and tell her how much we loved her and thanked her for being there in our Life's. Several grandchildren got to tell her good bye in the end also! We are thankful for Betty and very blessed to have her in our Life's. She is now with our Lord Jesus in heaven with her mind sharp! Thank you Lord for bringing Betty Ann Weems into our Lifes! I will be forever blessed as many of us were to know her! We loved you dearly! Love Stephanie Kay
