“ I didn't know him but I know Diane, Fran, and Danielle. I can tell that he was an amazing person because they are amazing people as well. No one wants to lose anyone they love so much whether it's a sibling or a close friend but sometimes God takes all his Angel's. We may not understand it sometimes and the pain you feel is unbearable but know that they are always with you in spirit. My prayers and condolences go out to his family and friends. May he rest in peace always and watch over all of you
