“ Several years ago, I had the opportunity to meet a couple at an auction. The acquaintance soon turned into a strong friendship and then to an undoubted sense of family. Whether a phone call to say hi, meet for breakfast, go to an auction or share a holiday. Miss Billie was always there with a smile. Miss Billie helped me through some tough times and a lot of good ones too. With gently words of encouragement and advice, a stern index finger (when I was not doing right), but no matter which it was. It was always followed by a hug and an I love you. (If that's not a mom what is?) Miss Billie always went out of her way to lend a helping hand or try to brighten someone's spirits whenever she could. I felt really honored each time I was called upon to lend a hand and help out. They say once in your life you meet someone who will impact your life forever, I feel doubly blessed I got to meet 2. The man who stood beside Billie through everything. Mr Bo Tanner. I love you Bo and the days ahead will get brighter. J.R Haight

“ Ms Billie was such a beautiful woman inside and out. Everyone who had the pleasure of knowing her was truly blessed. We are going to miss her sweet kisses and hugs she always had ready each time she saw us. We loved Ms Billie and are going to miss her deeply. Bo, we love you and are here for you. You and the rest of the family are in our thoughts and prayers.
