“ *Collen and kids, You are all in our hearts and prayers as you face this very difficult time. May God be with you and guide you down the path you will now lead. Take time to heal and know that Billy is never far from you. He is with each of you in your memories and in your hearts. He will walk side by side with you until you meet again. Deb, Joe and Faith*

“ *Billy- Although we drove each other crazy the past few years, we always managed to laugh at all times. I don't know what I'm gonna do without all your pranks. Our days and nights at dance will not be the same without your craziness and your bright uniform, No one put more work into our girls then you did with all your help on every project. Please watch over all of us! We will miss you very much! Love, Sue*

“ Billy, as we light this candle for you today with heavy hearts, we want you to know that you will not be forgotten. You were such a great guy and went out of your way to do anything for anyone. We look at all the tow trucks to see if it is you driving! We will miss you. You will forever be a part of our lives in our memory of all the good old PROP days.

“Debbie, William and I grieve Billy's sudden death. Billy was the first parent to reach out to us when we came to the dance studio. Billy was a hard worker, would give you the shirt off his back, was a tough but also tender parent and knew how to laugh even at himself. Our support is extended to Colleen and all who loved Billy, especially Nathan. May God bless you in your grief remembering that " Blessed are those who mourn.”

“My heartfelt sympathy to all who know and love him. He will be truly missed. May time make this more bearable to accept. Prop dad evermore! Your duty is done...thank you for all your time and sweat...now rest easy my friend!
