“ Bonnie may never have known the reason she was placed on this earth but I do. Bonnie taught me that Friends are very important and that life passes too quickly sometimes it is very important to tell your friends, thank you, and remind them of the good memories they have touched you with. Things that can be so simple at the time become cherished moments. People you come across and meet in life are there for a reason. God has chosen you to cross paths and to interact in ways you do not know why at the time. Bonnie taught me to cherish all my friendships and acquaintances I have made throughout my life and to thank them for their gestures and all the deeds they have done for you because one day when you wish you could say Thank you, you may never be able to Thank you Bonnie

“ It will be one year since you left us and my heart still hurts. I was so excited when you moved here to Ocala. I so hoped we were going to be able to grow old together. I thank you for touching my soul and showing me what beauty really is. I hope I make it to Heaven so I can tell you thank you for how you have affected my life and the gift you gave.

“ I have known Bonnie for 25 years or more. She had a heart of Gold and was such a Good Friend to anyone. It was a shock to me to hear the NEWS about Bonnie's passing. She was so excited when she moved to Ocala and tracked me down. I was so pre-occupied with my children that I did not take the time out to be with this one very special friend. I have planned on doing so here in these past few months and now it is too late. My guilt and conscience are reminding me that time is so precious and will never be on your side. Bonnie I am so sorry! To the family my thoughts are with you all. So much for me thinking Bonnie and I would have a wonderful time growing old together. I have so many wonderful memories of Bonnie and you know I can say I do not ever remember her losing her temper, being nasty or angry about anything. She was always one of the most pleasant people I have been around. As a tribute to Bonnie after hearing the NEWS, I made a favorite dish that all her friends at American Express enjoyed. Chicken and Broccoli. Bonnie taught me so much about the Jewish traditions and she was so proud of her children, husband and her beliefs. Thank you for touching my heart Bonnie. You will always be in my memories!
