

Bonnie Irene Allard Schauer

November 1, 1960 - May 23, 2024

Bonnie Irene Allard Schauer passed away at the age of 63 on May 23, 2024. She leaves behind her husband, Edward Schauer, son Brian (Melanie) Schauer, daughter Barbara, (Aubrey) Coins, her brothers, Ron Allard and Don Allard, as well as 8 grandchildren and countless friends who have felt her warmth and generosity.

Full of love and laughter. She was a mother to many. Her kindness was contagious. She could talk a mile a minute about anything and everything and still be a tentative listener, or give a warm loving embrace when needed. She was an empath, a free spirit. She loved music and crocheting. She was a firecracker, a gentle breeze, a lightning storm and a sunny day. She could talk to total strangers like she'd known them for years, always leaving with a smile and a new friend. She touched the lives of everyone she met and her absence leaves a void in the hearts of so many.

“ *Buzz, Brian, Barbara and family,*

Bonnie was an incredible woman, and brought so much love and light into this world. The best sister in law! She was always up for an adventure. Her memory will always be a source of comfort and strength for us, as we hope for others.

We will always remember the family cross country camping trips with Gram in the blue suburban, the first snowman in Jersey, and the special family Christmas on Long Beach Island, as special ones.

You are all in our dearest thoughts and prayers.

“ She was the best mom a girl could ever ask for. She was my best friend, my mommy, the ear I always needed and the hand I loved to hold. A piece of me is now in heaven. 💔
