“ I couldn't imagine this time last week we would lose such a special woman, mother and friend. No matter what hour or what she was doing she always had time for u, if it was only to listen. Gonna be missed by many. My favorite answer she would always give me no matter how much I would rant and rave was "I know". My condolences to all the family. We lost a good one... Love you girl!!

“ Miss Brenda,
Words cannot express what a blessing you were in my life. Many fond memories over the last couple years, and the honor of meeting most of your awesome family. You are certainly missed and loved. I'm sorry you were taken so soon, and tragically. Huge hugs and love to all who's lives you touched.
