“ He was one of the greatest science teachers that I ever had. He taught me so many things about physical science. I pray for the family and that the lord will bless you all and always. May he rest in peace and be on the hands of God.

“ We haven't really came to terms with this loss. Bret was a great friend and will be missed dearly. We spent some time visiting Brett in March. He took us fishing on his boat. We are thankful for the time we got to spend with him especially doing what he loved, fishing. It was a pleasure to spend a life time with him. Thinking of you now and always BretBill Hancock & family
