ME

“ You were an amazing soul. I pray you and your mother made peace. She always loved you. I miss you both very much. You both passing away so close to one another was so painful. 13 days after you left, I think she missed you so much her soul decided she was needed more in heaven to be with you and your brother. I love you both and miss you both! Hope yall are keeping one another entertained. I know your momma is talking your ear off.
