“ Brian was my cousin and I loved him so much. He will be missed. I have so many memories of our visits to Florida when I was a kid. Brian and I would soak up the sun at the pool or on the beach. My favorite trip we stayed at a hotel at St, Pete beach and we spent so much time talking that weekend. I know his Mom, Aunt Mary Lou and Uncle Bill welcomed him to heaven with such loving arms. I will always miss you cuz 🥺🙏

“ He was my buddy. We were in recovery together. He and I attended the Charlie Daniels concert, we had a great time. I will never forget his last words to me when last talked. He said he loved me and thanked me for always being there and being his friend. Bryan I love you and you will always be in my heart. You gained your wings, no more pain. FLY HIGH MY BROTHER
