“ GONE TOO SOON

*Words cannot describe the loss i feel
saying farewell to you,
But heaven chose to give you wings
and now it's time you flew.*

*I wish that we could have more time,
that God had let you stay,
Forever would not be long enough, but i would take one day.*

*I wish i had just one more chance
To see your big, broad smile,
to laugh again, with you my friend
just for a little while.*

*Gone too soon, but not forgotten,
Forever you will remain,
You will always be my bright star
Until i see you again.*

RIP Brian.
