“ *Jason, Melissa, and Jack, Our hearts are broken with yours. We watched Brittany blossom from a sweet, shy little girl to a beautiful, kind hearted woman. The news of her passing brought me to tears. I can't believe how quickly someone can pass from this world. Although we can't be there in person, we are with you guys in spirit. Love always!*

“ To Jason, Melissa, and Jack...you have my deepest sympathies in the loss of dear Brittany. She was a wonderful daughter and sister, granddaughter, young woman, and mother, to sweet Brea. During her short life she knew that you loved her very much. She is now one of God's Angels; smiling down and watching over you all from Heaven. Please be strong in the days, months and years ahead. Wonderful memories and photos will keep her with you always. You were blessed to have Brittany and she was blessed to have you all...for the almost 21 years she was in your worldly presence. Remember this to comfort you in this time of sadness: "...those who believe in the Lord will renew their strength. You will soar on the wings like eagles; you will run and not grow weary, and you will walk and not be faint." - Isaiah 40:31 God bless all of you in your sorrow and know how much I love all of you. Also know sweet Brittany is at rest, with Christ in Heaven. - Peace be with you, Dad/Grandpa (Tim Rice)
