

Bruno Szubart

September 27, 2011 - December 22, 2022

Bruno Alexander Szubart, 11, passed away December 22, 2022, due to a tragic car accident.

Bruno was born on September 27, 2011, on Staten Island, New York. He was the beloved son of Sara and Dominik Szubart and a loving younger brother to Milena Szubart.

Bruno was a sixth-grade student at Osceola Middle School. Last year he graduated from Madison Street Academy where he attended for two years after he moved to Ocala with his family.

Everyone knew Bruno for his kindness, contagious laugh, and optimistic attitude. He made everyone feel included, comfortable, deeply cared for, and made everyone so happy when they were around him. Bruno was known for his ability to light up any room with his undeniably playful humor. He was always thinking of others before himself, making everyone happy with his talent to chit-chat about anything.

Bruno was very intelligent, creative and had many interests. He loved going to school and was a very good student excelling in many subjects. Bruno's favorite hobbies included playing computer games with his friends, riding his bike, swimming, playing soccer, reading, playing tennis, listening to his favorite music, and of course spending time with his family and friends, all of whom adored him.

Bruno created so many wonderful memories, some of his favorites were: going to Poland every summer to spend time with his family and visiting

beautiful places along the way; going to Sky Zone with his friends; camping and kayaking with his family; going to different amusement parks in Florida, the Universal Studios trip before graduating from elementary school was one of his favorite trips; watching The Simpsons with his sister; being silly with his family and friends; playing with his dog, Cookie and his cat, Jinx; completing the hottest chip challenge with his Dad; eating pierogies made by his grandmas; his last trip to NJ where he finally mastered how to ski; going to see his favorite band – Iron Maiden in concert in Tampa; baking and trying out new dessert ideas and of course, chatting with his favorite group of friends while playing computer games.

Bruno developed incredible friendships along the way and spent much of his time creating lasting memories with them. According to Bruno's friends, he changed their lives and he loved and accepted everyone just the way that they are.

We all know there was something special about Bruno...

“ Bruno was always so kind to everyone. He always had a smile on his face. He was always quick to make somebody feel better when there down. I know losing him is hard but he wouldn't want us to be sad about it for a long time. I know bruno from swim and 3rd period, it is very hard to see him go. 😞🌟🌸

“ I met Bruno in elementary school and he did not deserve to die. He was such a bright and colorful spirited friend. We didn't talk much but I will always miss him and he always lifted my spirit. I wish you could stop people from dying but you can't so you have to except the fate that happens because you can't change your fate no matter what you do or say fate always has a way of coming back to you like a boomerang. So you have to except what happens and you will eventually have to move on at your own pace I will never forget Bruno and how he was a great friend. He should have been here for the new years but his fate found him way sooner than everyone wanted fate to but it has already happened so we will except his fate eventually

“ I went to elementary school with Bruno and he was the funniest, sweetest, and smartest person I knew. When I saw he had passed I didn't know what to think. He was always so positive and bright, and never let anything bring him down. Life will never be the same without you Bruno. 🕊️❤️

“ I am Bruno’s science teacher. Right before break he presented his science project. He shared how much fun he had taking his turtle to places to see how long it took the turtle to walk around on different surfaces. The entire class loved and enjoyed his presentation. Bruno always had great stories to share and he was so engaged and so smart. The world has really lost a bright star with so much potential. God please be with Bruno’s friends and family through these dark days. Bruno I am going to miss you dearly. 3rd period just won’t be the same without you. 😭 Love, Mrs. Landrum
