“ *Burt Waite was my uncle. I remember him as fun, active, social, helpful, kind, impressively intelligent, empathetic. Many people have all these qualities-few however can balance them as well as Uncle Burt did. I have not seen you in this world in some time Uncle Burt-but I do know where you are waiting for us to catch up. Thank you for the truly great memories I have of and with you, uncle-holding onto those on this earth til we meet again.*

“ *Uncle Burt was always interested in whatever I was doing, funny, encouraging; wish I had made the same effort to get to know him, and that is my loss. May Margaret find comfort in her memories.*

“ *Burt was an extremely kind and giving person. He spent time and was a loyal friend to share a part of Margaret to care for my Brother, Bill Sasser. I will always be grateful for his time as Bill considered Burt as if a brother. A sad loss.....Betty*
