“WE MISS YOU CANDY” Here we are as a year passed by with out our friend candy, and I can honestly say this year has not been the same without candy as we miss his smile as he pulls out of the drive way to go and get his loaf of bread every single day, or see him outside mowing the grass and accidentally chopping down his palm trees with the weed wacker. I especially miss the long conversations we had and the great advice he would give me, Candy was a true friend and we miss him dearly. Candy was much more than just a friend to me and Life in Sun Valley will never be the same with out our Dear Friend, Candido Bonilla Chaparro, Sr. "WE MISS YOU"
