Auntie Carol was a very beautiful and humble soul. She always got satisfaction from giving and making others happy. She was always a giving individual. It made her happy by making others happy. May her soul rest in peace. 💔🙏😭

Saddened by the loss of my beloved niece Carol Salandy-Aviles. She was a very gentle soul, extremely quiet, and I will miss her dearly. The last few years of her life were very difficult, having lost her only son Gary not too long ago. It really hurts that she died alone. Condolences to all members of the family and may her soul rest in eternal peace 💕💕

“ Carol was my first niece! I remember the first time we first met and she called me auntie. I cried and asked my mother “Why is she calling me Auntie? I’m not old!” I am just 6 years older than she was!

R.I.P. Carol. ❤️🙏❤️
