“ *Carol was a remarkable woman and will be missed very much. She was the type of woman that did not candy coat anything, you knew where you stood with her like it or not, and that was an attribute that I admired about her. She raised four children, one I know very well and she is one of the kindest most generous souls I have ever met, it has been said that you can tell a tree by the fruit that it bears. Well done Carol, rest in peace.*
