“ During the years we all spent together in Jeddah, we became each other's family. Being thousands of miles from home we drew very close to the friends we made. Lynnie was family . Though we are spread all over the States, now, we still have that connection. Lynn and Joe have a special place in our hearts and will be missed. Sending prayers for comfort and peace to you four children and your families. Bob and Kathie Herman

“ June of 2004 we had a family weekend on St. George Island up in the panhandle. Carolyn came and she would plant herself on the balcony that looked over the Gulf of Mexico first thing in the morning with a cup of Joe, and later a beer. I enjoyed hanging out with her on that balcony, relaxing, chatting and just taking in the awesome view. No doubt she will be greatly missed by her family.
