“ Carrie's love of family and positive smile entranced me the moment I saw her, I think the year was 1994 when we first met. The Publix Family Fitness Weekends wouldn't have been the same with Carrie and her clan. She was the biggest supporter and encourager for all of her children. She was always there with a kind ear and heart. A hard worker and always hands-on, never a complaint about anything or anyone. She spoke about her pride and joys of her children and always looked forward to time watching her grandkids. Carrie you will be missed and I know you will always be watching over those you love. My deepest condolences, love and blessings to the entire family. xx, Becca Tebon

“ I always admired Carrie, she was a super mom homeschooling all her children and took them all the way to UofF for swimming everyday. I will never forget her digging the clay soil to put in a swimming pool. When th concrete came, she told me her ankles hurt from pulling her feet out of the concrete. She was a good friend, good listener. All her children are blessed to have had such a devoted mother.
