“ I remember when my step dad worked for Richard and I got to see carter every single day, we shared many many laughs we swam together we rode three wheelers together we joked together we even ate Veggie Straws together not a day goes by I don't think of his little face I miss him so so much even tho I barley got to see him after my step dad quit. He never left my mind, my life took a dramatic change sense I found out he's gone... I just want him to know I love him forever and always

“ My heart was caught when I read you lost your precious little boy and I wanted to send my warmest condolences to the family. To lose a child, a part of you, can bring such overwhelming grief but Jesus assures us at John 5:28,29 that you will have Carter in your life once again without the pain we see today. Until God's promises come true may every good thought, every memory of the love you felt, flood and overtake you with calm and peace to help you through the dark moments.
