

Catherine Goss Boyce

December 23, 1955 - February 1, 2021

Catherine "Cathy" Goss Boyce, age 65 of Ocala, Florida, went home to be with the Lord on February 1, 2021 after a courageous battle with ALS. She was born in Clearwater, Florida on December 23, 1955. Cathy was a proud native Floridian and an unwavering fan of "The U" . She met her husband Larry of 46 years in Miami, Florida. She had a deep love of children, and spent many years of her life dedicated to helping children both through her job with the school district and her contributions to her church's youth group. Cathy was known for her quick wit, love of music, stellar t-shirt collection and the adoration she had for her family and friends. She was a devoted wife, mother, sister and aunt. Cathy was able to make strangers into friends in a matter of moments. She will be remembered for her charm, tenacity, strong spirit, and unwavering faith even in the face of incredible odds. Cathy is now free from the chair she was confined to in the later years of her life and is dancing joyously with new and old friends in the presence of her Heavenly Father.

Cathy was preceded in death by her father, Donald Goss Sr. and her mother Billie Claire Freeman. She is survived by her devoted husband Larry, her daughters Amanda and Delaney, her brothers Randy and Donnie and her sister Liz.

Arrangements are being handled by Christ the King Anglican Church and Roberts of Ocala, Florida. Cathy wished for contributions in honor of her memory to be made to ALS Therapy Development Institute.

“ We shared many memories over the last 46 years. I attended your wedding and your honeymoon. That was a favorite to tell and always included a laugh. Certain songs will always trigger thoughts of you. I am glad we were friends.

“ Cathy was a very special person. I had the pleasure of working with her at Harbour View Elementary. I always called her "Bossy" not because she was bossy I just liked her personality. She loved the students at Harbour View and one of her many jobs was working in the computer lab. She was very proud of her girls and her amazing husband. Rest in Peace!

“ I will always treasure the memories of Cathy and Larry moving Amanda and me into the dorms and the dinner and movie that followed. She was always a fun mom! I am glad she is no longer in her chair with ALS and I know she is most definitely hanging out with my dad up there watching over us.

“ Such a perfect tribute to my dear friend. This describes her perfectly. Cathy was such an inspiration to me. I will miss her so much, but at the same time I am so happy that she is free and dancing in heaven.
