Catherine Cicilia Calderon was born on November 22, 1928 in Glen Cove, New York by her father Jose P. Morales and mother Ursula Maria Morales. She passed away on Aug 20, 2022 in Ocala, Florida. She married Jose P. Calderon on April 13, 1949 and was married for 47 years. She and Jose had two sons, Joseph P. Calderon, born on January 24, 1950 and David E. Calderon, born on May 19, 1954. She worked for the family court in N.Y.C. for 27 years. She was a very loving, wonderful and the best mother. She raised my brother and me to be responsible, respectful, loving men. She also was a wonderful and loving wife to my father Jose. They were always together through the good times and bad times and came through everything together. I will miss my mother very much.
