“ God saw she was getting tired and a cure was not to be.
So He put his arms around her and whispered, "Come with me."
With tear-filled eyes we watched her suffer and fade away. Although
we loved her deeply, we could not make her stay.
A golden heart stopped beating, hard-working hand put to rest. God
broke our hearts to prove to us He only takes the best.

*For the first time in ten years, as a single pregnant mother with two
children, on Christmas Eve, DeeDee and her entire family made me
feel loved, worthy, welcomed and wanted. I was surrounded by a
family who was genuine and pure of heart. Because of DeeDee
raising up a family that can have qualities as powerful as this, they
will continue to be passed on through them and be given to other
good people. In this way she will truly live forever through us
because we all got the best pieces of her.
I am blessed to have known her and I am blessed to have her
daughter Holly as my best friend.*
