“*Condolences to your family. May you receive comfort from the word of God during this time of loss. Acts 24:15 says there will be a resurrection of the righteous and unrighteous. Can you imagine the joy of Martha and Mary when Jesus raised Lazarus back to life?- Read John 11:21-24, 38-44. Revelation 21:3,4 promises that one day death, mourning, and outcry will be no more.*

“*Chad was my stepdad and I will forever be grateful for his kindness, generosity and leadership. A fine gentleman and one of smartest men I have known. He was always there to lend a hand and I'm better off having witnessed such a fine example of what it means to have a strong work ethic, grace towards others and a humble heart. I'm thankful that by His stripes you are finally healed and restored and the victory is now yours in Christ Jesus. Love you, Chad.*

“*I knew Chad from his first days when he joined IP after Champion Paper was acquired. He was a systematic, dedicated and skilled engineer with a smile on his face and cheer in his attitude as he worked his butt off. I saw him battling his initial issues with such courage that I weep as I write this. I was encouraged to see his comeback, and hoped for the best. I never met his wife, but have no doubt from what I have heard, you made his life one of fulfillment.*
