“ *Charlie, Henry and Harry, You may not remember me but I was your dad's first dental hygienist and he was my first job out of hygiene school. He was such a kind and gentle soul, it was a wonderful office to start my career. I have often thought of him over the years (I left in 1977 to have my first son) and wondered how he was doing. I don't know what made me check the Orlando Sentinel's obituaries today (divine intervention?) but I'm glad I did. When I count my many blessings, I count your dad among them. I hope your memories fill your hearts with pride and joy. Love, Linn Pinder*
