“ Betty and Family, Our deepest sympathy to you and the family on your loss. The service and visitation yesterday was very nice and a tribute to Charlie's life as Husband and Father. Father O'Doherty's Homily and prayers were very comforting to everyone. And Eric's comments were so heartfelt! You have such a beautiful family which will comfort you all as you move on through this difficult time.
Prayerfully yours, Jenny & Bob Stockli

“ *Betty, Charlene, Charlotte and Eric. Please accept our most heartfelt sympathy at your loss of your dear husband and Dad. We were so not prepared for this, and I know it has been a shock to you as well..Charlie was so dearly loved by all of his neighbors in Indigo and will be sorely missed...He seemed like the "mayor" of that little area...always there to greet whoever walked or drove by. and of course,,,he did have his little treats for his little 4 legged friends...When we got Abbey Lane, he was always there with a kind word, and a cookie, whether she deserved it or not. She knew who would look out for her. Although Dick and I abandoned Indigo last year, we consider the many friends we met, to have made our journey to Ocala a wonderful experience... Betty, I know that the days ahead will be filled with tears and sorrow, but I know there will be smiles and laughter as you remember the wonderful years you had together, and you have a wonderful family and friends to help you through those difficult days ahead. Please know that we share in your sorrow. Fondly, Paula and Dick Lord*

“ I was really saddened by the loss of Charlie. He was a special man and always had a funny tale to tell. He served his country well being in the Navy, and I for one appreciate that so much. He will be deeply missed around Indigo. My deepest sympathy to you Betty and the family. Hugs, Eve
