

Charles "Chuck" Maurice Hacker

July 13, 1941 - July 26, 2024

Chuck Hacker, 83 years young of Bunnell, Fla., died July 26, 2024, from pulmonary complications at AdventHealth Palm Coast. In the terms of his beloved

NASCAR, the checkered flag meant he is home. The son of Adrian Roy Hacker

and Grace Theresa Hacker, he was born in Philadelphia, Penn., and had resided

there for much of his life, until moving to St. Augustine, Fla. In 1999, he and his

late wife, Linda, moved to Palm Coast. Chuck resided in Bunnell for the last several years.

Having served the community as a professional mechanic for many years, Chuck always kept cars running. Even in his final days, he explained to his nephews that the battery in his car was oddly located in the trunk. After he stopped

working on cars professionally, he continued to support his family through long hours at VAW Aluminum, until his health no longer permitted him to work. His dogs – including Laddie, Freckles, Shaka, and Kay B – never wanted for a walk,

bath, or brush.

In his retirement, Chuck continued to do what he did best. In addition to continuing to be the biggest NASCAR fan around, he continued to love and

give to

those in his life, including his apartment neighbors who he treated as family.

This

characteristic of Chuck was likely borne in large part from his experience earlier in

life caring for his late son, Chuckie, who had cerebral palsy. In return, he was loved by friends and family, far and wide. His passing calls for us all to take a pit

stop and reflect on the value of family and unconditional love.

Chuck was preceded in death by his wife of 30 years, Linda; sons, Chuckie and Charlie; brothers, James and John; and sister, Grace. He is survived by his

daughters, Julie (Scott) and Sandi; nephews, Jim (Becki) and John (Lauren); nieces, Donna and Debbie (Paul); and numerous grandchildren, extended family

and friends.

In lieu of flowers, those wishing may contribute in his memory to any humane society, the American Lung Association, or the Marfan Foundation.
